OFFICE U.H.F.CO-ORDINATOR.
1723 W. Fond du Lac Ave.
Milwaukee,Wisconsin.

October,19,1941.

First meeting of the M.R.A.C.-U.H.F. Emergency Corps was called to order at 10:30 A.M.Sunday morning at W9PYM's Service Station,corner No.33rd and West Vliet Streets,by U.H.F.Phone Activities Manager,Wendell Ciganek,W9SYT,

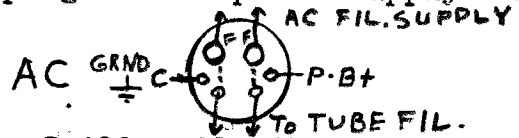
The following amateurs were present;

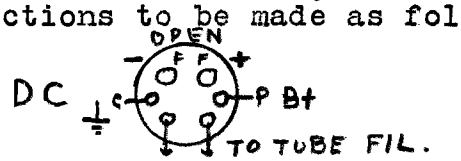
W9NRX,Jos.Kircher
W9MPV,Ed.Terborg
W9NHG,H.E.Strothmann
W9ITJ,Victor Chambers
W9GSP,Herb.Baker
W9PYM,Jos.T.Collins
W9DJC,Ray Behmke
W9RH, Emil Felber Jr.

The purpose of this meeting was to adopt a definite standard for equipment to be used in portable operation,thereby making such equipment interchangeable with any other Emergency Corps member's R.F.unit, microphone,receiver,speaker,tubes,and power supply whether A.C.or battery operated.

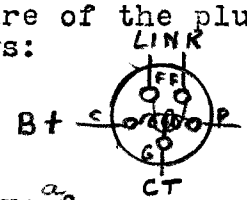
The following was adopted as standard:

1.Connecting cables,between the power supply and the transmitter will have a six prong female plugs on the transmitter end,and a six prong male plug on the power supply end.Connections to be made as follows:

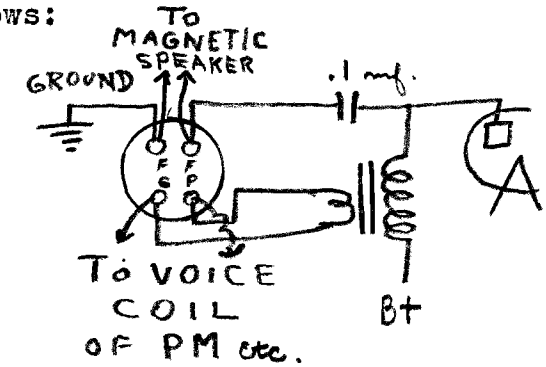




2.All coils that are of the plugin type will be five prong,with the connections as follows:



3.Speakers will have a four prong male plugs on the end of their cables,and a four prong sockets on the receiver chassis,to fit four prong plugs connected as follows:



4.All controls,switches,plugs.etc.,shall be labeled or marked and a circuit diagram of the unit will be attached to each and every chassis,with the complete operating instructions.Power supplies will be labeled with complete specifications,as to their voltage,and current capabilities.

5.Because the vertical antenna is the most practical for mobile and portable operation,it is most desirable to use verticaly polarized antennas.

Mr.J.T.Collins,W9PYM,has accepted the appointment as the U.H.F. Public Relations Chairman,whose duties are to uncover any and all activities on the U.H.F.which are contrary to the Laws and Regulations of the F.C.C.Everyone is requested to post phone number of W9PYM in their shack and report immediately any suspicious signals or other activities of such nature.

Suggestions have been made for the appointment of a three man committee,whose duties would be to visit amateurs in this area for the purpose of:

A)Increase our club membership.
B)Instruct proper log entry.
C)Urge activity in our emergency corps.
C)Promote general good understanding among fellow amateurs.

Time did not permit us to finish discussion on other subjcets as dinner was waiting for many of the hams attending,so at twelve noon the meeting was adjourned.

I wish to extend my sincere appreciation to the boys for their fine co-operation,and their attendance at this meeting,W9SYT.
